

1. CREATING HOSPITAL DATABASE

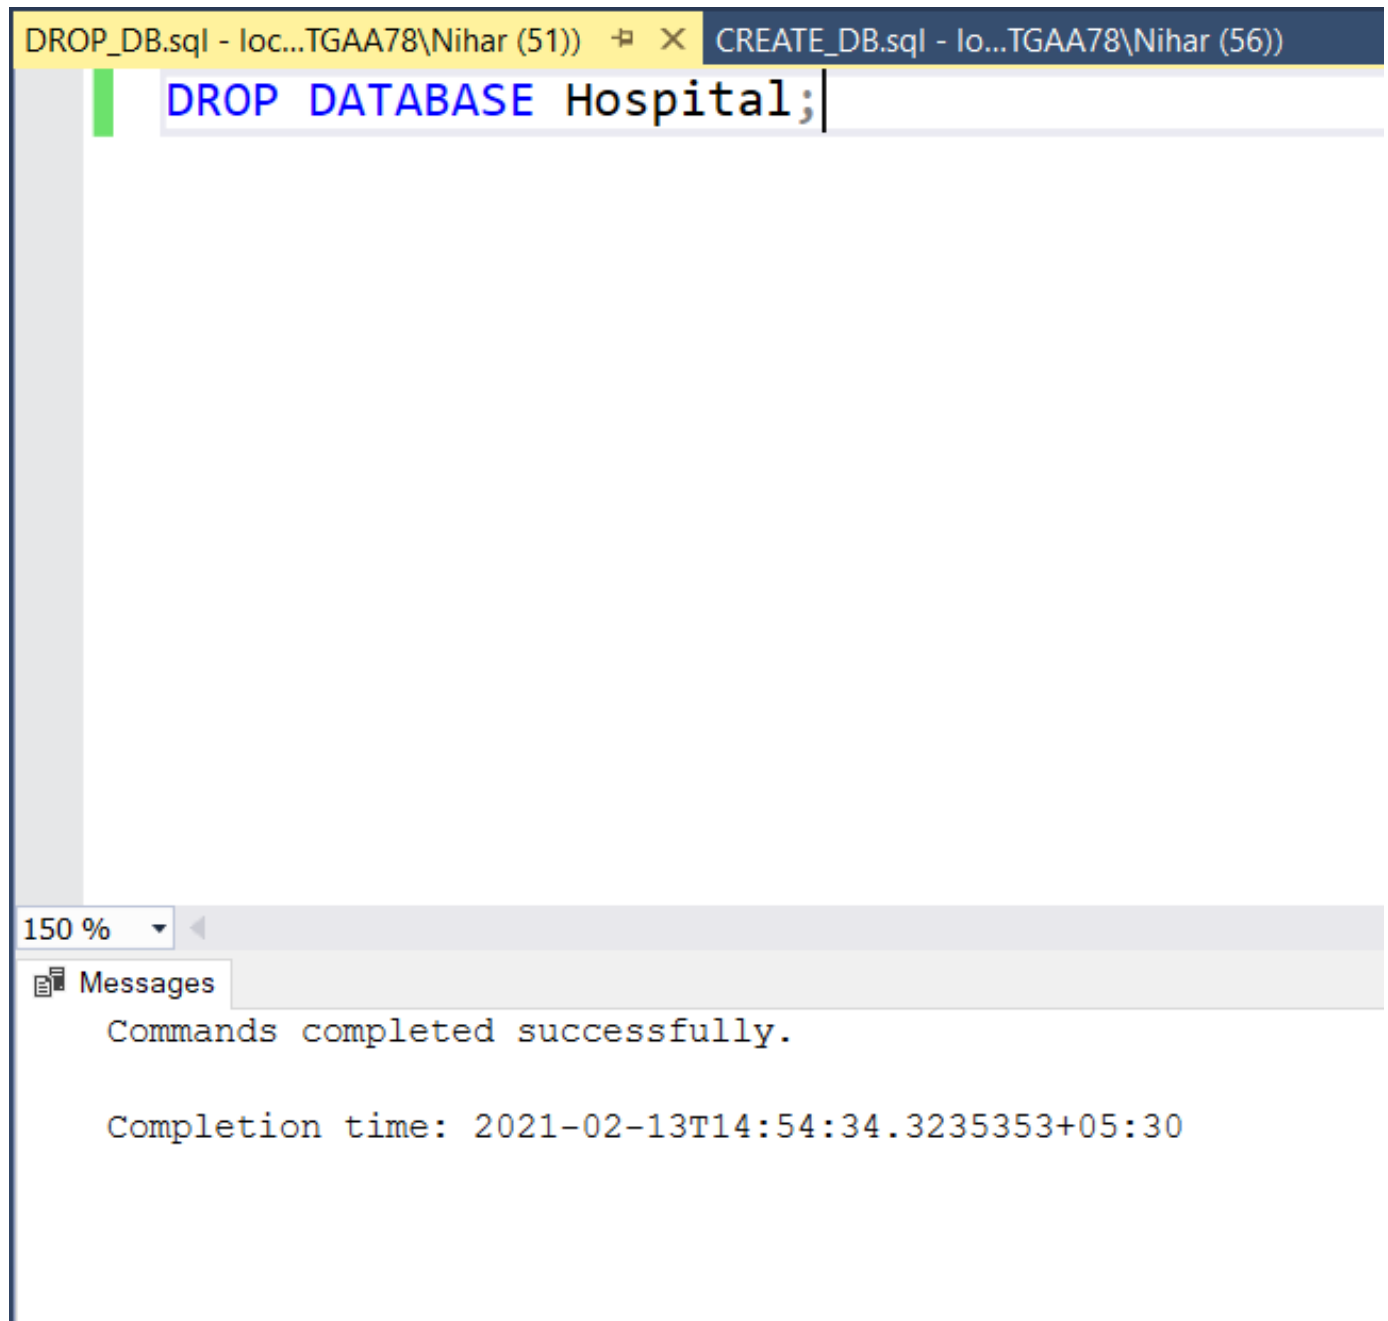

The screenshot shows a SQL command window with a title bar that reads "CREATE_DB.sql - lo...TGAA78\Nihar (57))". The main text area contains the SQL command "CREATE DATABASE Hospital;" in blue font. Below the text area, there is a status bar showing "150 %". At the bottom, a "Messages" tab is active, displaying the message "Commands completed successfully." and the completion time "Completion time: 2021-02-13T15:28:55.9435210+05:30".

```
CREATE_DB.sql - lo...TGAA78\Nihar (57))  
CREATE DATABASE Hospital;  
  
150 %  
Messages  
Commands completed successfully.  
Completion time: 2021-02-13T15:28:55.9435210+05:30
```

DATABASE

1. DROPPING HOSPITAL DATABASE

The screenshot shows a SQL command window with two tabs: 'DROP_DB.sql - loc...TGAA78\Nihar (51))' and 'CREATE_DB.sql - lo...TGAA78\Nihar (56))'. The active tab displays the command 'DROP DATABASE Hospital;'. Below the command area, a 'Messages' pane shows the output: 'Commands completed successfully.' and 'Completion time: 2021-02-13T14:54:34.3235353+05:30'.

```
DROP_DB.sql - loc...TGAA78\Nihar (51))  CREATE_DB.sql - lo...TGAA78\Nihar (56))
DROP DATABASE Hospital;

CREATING ROOM TABLE

```
CREATE TABLE [T1_Room] (  
    [room_id] INT,  
    [room_no] INT,  
    [room_type] VARCHAR(30),  
    [patient_id] INT,  
    [doctor_id] INT,  
    PRIMARY KEY ([room_id])  
);
```

ROOM TABLE

DROPPING ROOM TABLE

The screenshot shows a SQL Server Enterprise Manager window titled "DROP TABLE.sql - I...TGAA78\Nihar (55)". The main query editor contains the command `DROP TABLE dbo.T1_Room;`, where `dbo.T1_Room` is underlined with a red wavy line. Below the editor, a "Messages" pane shows the output: "Commands completed successfully." and "Completion time: 2021-02-13T15:03:49.3517456+05:30".

```
DROP TABLE dbo.T1_Room;
```
