

Hospital Database ER Diagram Assignment 1

Nihar Sanda | Feb 5, 2020

There is no weak entity since every entity has an id attribute acting as the primary key.

There will be no weak relationship because there is no weak entity in the ER diagram.

Lnk to the diagram is: <https://lucid.app/lucidchart/invitations/accept/598324ae-9ed3-4a6e-ac5a-30bbcd5ed82d>
